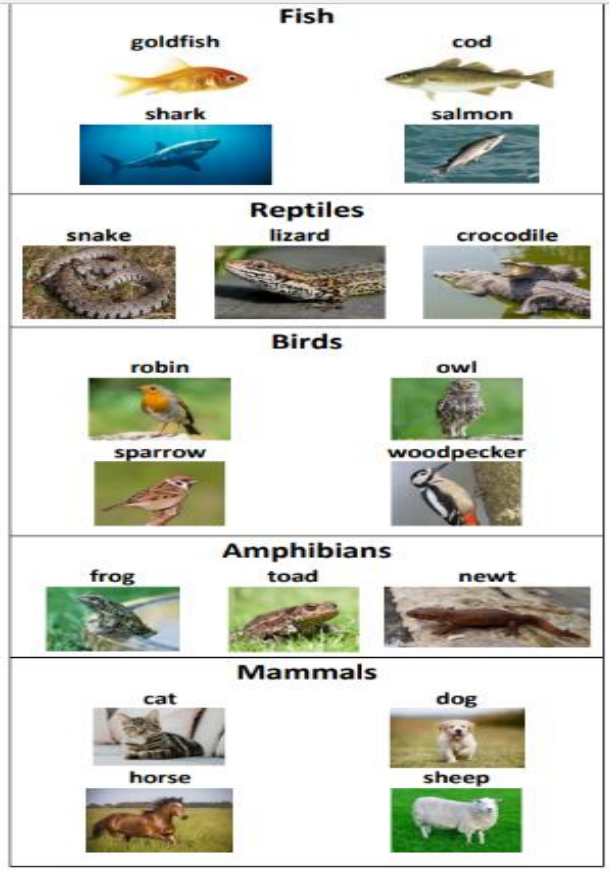
Animals including humans Year 1/2 Autumn Term

Prior learning:
Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another. They make observations of animals and plants and explain why some things occur and talk about changes. (Early Learning Goal)

Key vocabulary to describe the features of different animals

head	body
eyes	ears
mouth	teeth
leg	tail
wing	claw
fin	scales
feathers	fur

Can I answer:
- Can name a range of animals which includes animals from each of the vertebrate groups
- Can describe the key features of these named animals
- Can label key features on a picture/diagram
- Can write descriptively about an animal
- Can describe what a range of animals eat
- Can label parts of the body on pictures and diagrams
- Can explore objects using different senses



The 5 senses
